Re: Enola Branch - Lancaster and Chester Counties
Docket No. AB-167 (Sub-No 1095X) - Section 106 Process

Dear Mr. Brady:

I am writing to pass along a question voiced recently by several people wondering whether Quarryville had been accidentally omitted as a consulting party for the above-referenced proceedings. Quarryville, the site of the public meeting November 19, 2003, is the central municipality, and actually the only town, along the rail line. A number of residents of the Borough spoke at the meeting about the significance of the rail line to their community. Therefore we submit that Quarryville should be included in the consulting party list and receive all correspondence. The address for the Borough Council is Quarryville Municipal Office Building, 300 St. Catherine Street, Quarryville, PA 17566.

Thank you for your attention to this matter.

Sincerely,

Joyce A. Nettke,
Attorney for FAST
